**Outline how the proposed project supports countryside recreation<sup>1</sup>:**

**What is the intended outcome for the proposed project:**

**How will the intended outcome be measured:**

---

<sup>1</sup> <sup>1</sup> Countryside recreation applies to those sporting, recreational and holiday pursuits based on use of the resources of the countryside and which contribute to healthy active lifestyles. The term countryside includes land, water and air. The term recreation in this context applies to sporting and recreational activities, which operate in the countryside as defined above. It does not refer to sporting activities, which take place in the countryside on confined courses or pitches specifically designed and constructed for those sports e.g. golf, football, show jumping etc.
