

EUROPEAN COMMUNITIES (PUBLIC PARTICIPATION) REGULATIONS 2010.

Notice is hereby give pursuant to Part II, Amendment of Miscellaneous Enactments of S.I. No. 352 of EC (Public Participation) Regulations 2010, Section 34 (1A) of the Planning and Development Act 2000 (as amended) and Section 172 (1) of the Planning and Development Acts 2000 - 2017 that planning register reference number 18/45 was required to have been accompanied by an Environmental Impact Assessment Report (EIAR) / Environmental Impact Statement (EIS).

In accordance with Section 10 of the European Communities (Public Participation) Regulations 2010, Leitrim County Council wishes to advise as follows:

File Number: 18/45

Applicant: Derrysallagh Wind Farm Ltd.

Proposed Development: PERMISSION for the installation of approximately 0.46km of underground cable ducting, 1 no. joint bay and ancillary development laid primarily within the public road corridor, with a section of circa. 0.07km within private lands at Seltan. A Section of ducting is to be installed within a steel box structure to be fixed to Boleymaguire Bridge within the townland of Boleymaguire, Co. Leitrim. Within the townland of Boleymaguire, permission is sought for the carrying out of remedial works to approximately 0.44 km of the installed underground cable ducting which is subject to a pending application for Substitute Consent to An Bord Pleanála (Ref: ABP-300811-18), remedial works include the relaying of backfill material. Permission is also sought for the installation of the electricity cable following the completion of the civil works.

The development will comprise part of an overall development in Counties Leitrim, Sligo and Roscommon, consisting of the laying of an underground 38 kv electricity cable and associated ducting and ancillary development primarily within the public road to facilitate the connection of the permitted Derrysallagh Wind Farm, Co Sligo (Sligo County Council planning reference: PL 12/133) to the national electricity grid via the existing Garvagh 110kv substation in the townland of Seltan, Co Leitrim. Part of this development is in place and subject to a pending application for Substitute Consent to An Bord Pleanála (ref: ABP-300811-18).

This application is accompanied by an Environmental Impact Assessment Report (EIAR) / Environmental Impact Statement (EIS).

Location: Seltan and Boleymaguire, Co Leitrim

Leitrim County Council made a decision to REFUSE planning permission for the above development on May 8th 2018.

The applicant and any persons who made submissions or observations in writing to the Planning Authority in relation to the planning application in accordance with Section 37(1) of the Planning and Development Acts 2000 - 2017 may appeal this decision to An Bord Pleanála.
