**RE: CARRICK-ON-SHANNON ARCHWAYS MANAGEMENT COMPANY LTD.
PROPERTY – ARCHWAYS APARTMENTS COMPLEX OFF MAIN
STREET/BRIDGE STREET, CARRICK-ON-SHANNON, CO. LEITRIM.**

Dear Sirs,

We act as Solicitors on behalf of Carrick-on-Shannon Archways Management Company (Limited by Guarantee).

Our clients are aware of Leitrim County Council's intention to show a possible pedestrian connection from the new public car park through lands in our control onto Main Street in a part VIII application which will be placed on public display. Carrick-on-Shannon Archway Management Company have no objection to this pedestrian connection being shown. This consent is to the inclusion of the proposed connection on the Part VIII drawings only and it is without prejudice to the need for both parties to have entered into a legally binding Contract to give effect to same should this be pursued.

Yours faithfully,
Collins Solicitors.
